Altona moves for VFA berth

Moves are under way to bring VFA football to Altona.

If the moves are successful, Altona would be the fourth western suburbs team to enter the association. Already Williamstown, Sunshine and Yarraville are in the association.

Altona Council recently received a deputation from Altona City Football Club and Altona Central Football Club to discuss the proposal.

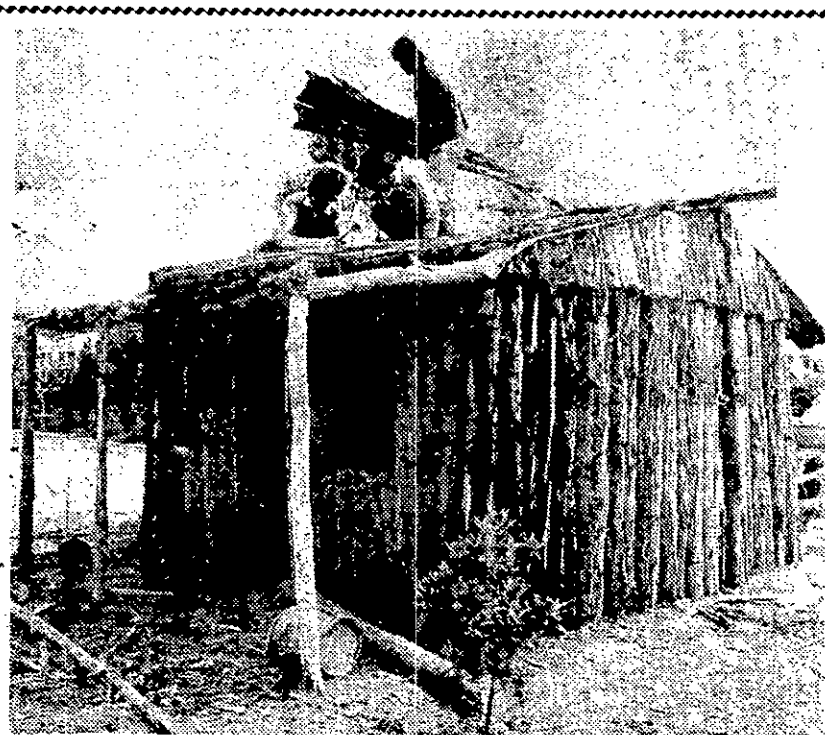

Altona Football Club was represented by its president, Mr. H. W. Lee, and Centrals were represented by a committeeman.

After the deputation, the council agreed to refer to its finance committee the question of finding the necessary funds to enable the fencing off of the J. K. Grant Reserve.

Council will also approach the VFA for details of ground standards required by a team seeking entry into the association and details of any other commitment the association might require from a council supporting an application for entry.

Council has advised both football clubs it supports in principal moves to gain representation for Altona in the VFA.

It is understood that should Altona become a VFA team, players would initially come from the City's existing two football clubs, which would continue to operate as they are now.

Council gets land for mini-bikes

Altona Council appears to have solved the problem of mini-bikes in the municipality.

The council has successfully negotiated with Petroleum Refineries (Aust.) Pty. Ltd. for the use of a large area of land by mini bike enthusiasts in the city.

Situated west of the Mobil service station at the intersection of Kororoit Creek Road and Millers Road, the land is well away from residential areas.

It was formerly occupied by a firm called Chicago Bridge.

Council has asked the recently formed Altona Mini Bike Club to make direct contact with PRA management on the matter.

It is understood that no racing will be permitted to take place on the land and that mini-bike enthusiasts will be required to wear proper clothing and have mufflers on the exhausts of their bikes.

The club has also been asked to notify council when they will be holding their inaugural meeting. Committee members of the club have already held an interim meeting with council.

School isn't all hard work — or at least at times hard work can be fun. Altona North Technical School Form 3 boys have almost completed building a colonial log cabin in the school grounds. They hope next year to use the cabin to house a permanent display of articles from Australia's early history. Teacher Colin Nightingale (left) is in charge of the project.

Coles signs on workers

About 40 staff members have been employed already for the Coles New World supermarket being built on the corner of Pier and Queen streets, Altona.

Some of these will start work next week and the store's staff will build up to full strength about a week before the store opens in mid-December.

Chairman and managing director of G. J. Coles and Coy. Ltd., Mr. Norman Coles, said all the fixtures for the store were on site and being fitted in the new store's selling area.

The total selling area

will be 12,450 square feet and the supermarket will have a complete range of groceries, a large fresh meat department, fruit and vegetables, dairy produce, a delicatessen and a wide range of frozen foods.

It will also sell an extensive range of Coles variety merchandise all under self-service.

CHILD CARE TALKS AIM AT ACTION

Last Saturday's Child Care conference in Sunshine adopted 33 resolutions in a comprehensive programme for action on child care in the western suburbs.

More than 100 delegates from organisations throughout Melbourne attended the conference, which was organised by the Sunshine Child Care Committee.

Resolutions

Speakers from the Family Planning Association, the Royal Children's Hospital department of psychiatry, the Brotherhood of St. Laurence and the Melbourne Kindergarten Teachers' College, addressed the delegates.

The resolutions passed by the conference included:

- That adequate Government subsidies and other assistance be provided to stimulate the assistance and maintenance of adequate child care facilities.

- That all kindergarten staff be paid by the Governments.

- That tax exemption be allowable for all actual child care expenses.

- That local child care facilities be provided for children of working mothers, and that mothers do not lose their jobs or entitlements if they have to stay at home to look after sick children.

SUPPORT

- That all councils in the western suburbs be asked to support the conference resolutions.

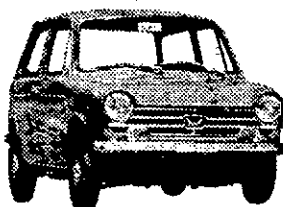

- That all health insurance association benefits be payable on fees charged by a doctor in a family planning clinic.

- That all municipalities request the Federal Government to provide

subsidies to councils for the adequate running of a variety of different day care schemes.

Sunshine Child Care Committee has been nominated by the conference to initiate action on all resolutions on behalf of the Action Child Care Conference and that all organisations represented at the conference be asked to have the resolutions implemented by their organisations.

ROTARY CLUB'S SCHOLARSHIPS ARE AVAILABLE

The local Rotary club is seeking young men and women to apply for Rotary Foundation educational awards for study abroad in 1974-5.

Three types of educational awards are offered by the foundation: graduate fellowships, for those between the ages of 20 and 28, with a bachelor's degree or equivalent; technical training awards, for those 21 to 35 with a secondary education and at least two years' working experience; and teachers' awards, for those 25 to 50 who have been engaged as full-time teachers of the mentally, physically or educationally handicapped for at least two years at the time of application.

Each award covers round trip transportation, educational and living expenses for one academic year, and, if necessary, funds for intensive language training.

The Rotary Foundation is a non-profit organisation supported by contributions from Rotarians and Rotary clubs in 149 different countries.

Since 1947, the foundation has awarded more than U.S. \$14 million for its various programmes, and more than 5000 young

men and women have gone to countries other than their own for a year of study.

Further information about these awards is available from R. Beavis, phone 391 3706. Early application is advised.

S.C.A. SPONSOR

This year's Southern Region soil conservation competition sponsored by the Soil Conservation Authority will be held on a regional basis rather than being confined to districts.

Landholders intending entering must do so before December 8.

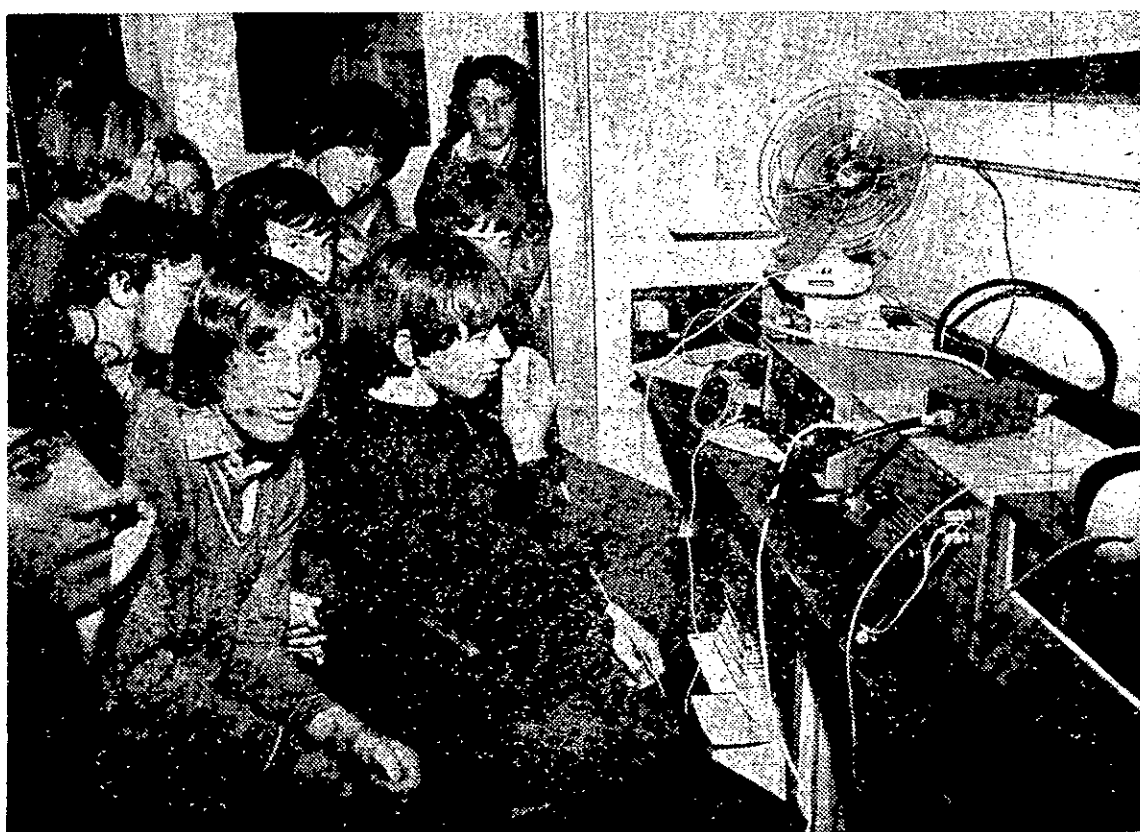

The competition is held by the Authority to encourage permanent and profitable land use. Awards are not made simply for the best farm, but rather for the best efforts against erosion and for soil conservation.

The competition is open to any property worked as a farm unit in the shires of Bacchus Marsh, Ballan, Bannockburn, Buninyong, Corio, Grenville, Leigh, Altona, Berwick, Bulla, Cranbourne, Altham, Flinders, Hastings, Healesville, and many others.

CHESS

The recently formed Altona Chess Club meets in the Homestead, Queen Street, every Wednesday night, and new members are welcome. Activities commence at 8 p.m.

Strong support is given to the club by Altona's Cr. Pat Burns who admits that he doesn't even know how to play the game.

• Form five student Ari Groen, who has his operator's licence, talks to an operator in Brisbane while some of the school's Senior Radio Club listen in.

HAMMING IT UP ON THE AIR WAVES...

Tune in and listen to people from around the world—Venezuela, Costa Rica, Italy, America, Russia, Singapore. That's how a group of boys at Altona North Technical School spend their spare time.

The boys are part of an ambitious plan by the school to introduce a whole new range of elective subjects to give the boys hobbies and perhaps help them find careers as well.

As from next year the boys will be able to choose to take courses in judo, photography, PT, and even computer science — the school bought its own small computer just recently.

They can also choose to do art metal work, which includes making enamelled and copper jewellery.

The fifth elective the boys can choose has al-

ready started — in the form of two radio clubs.

Boys from Forms 1 and 2 who already belong to the Junior Radio Club although they haven't been near the school's radio equipment yet, will be able to choose the elective too.

For about six weeks now a group of senior boys have been communicating with radio operators the world over, under the guidance of senior science and mathematics teacher, Mr. David Godfrey.

And, next year, when radio electronics becomes a subject they can study, the ham radio enthusiasts will have a room of their own for all their equipment.

At the moment they are "fitted in" to a corner of one of the science block rooms, which also serves as an office for Mr. Godfrey and three other teachers.

The school bought a transceiver for the Radio Club boys, but they have made the rest of the equipment needed for receiving Australian and overseas broadcasts themselves.

Mr. Godfrey says the transceiver would have cost \$700 to make at the school, but could be bought for only \$400.

But the boys made the power supply unit and the antenna tuning unit themselves — in only two weeks.

Since the transceiver was put in to operation about six weeks ago the boys have made contact with about 200 Australian radio operators and nearly 90 overseas contacts.

They've made contact with Japan several times and with Japanese fishing vessels in the Pacific.

As Mr. Godfrey says, luckily all the contacts so far speak English, otherwise one of the aims of the ham radio operations — communications — would be lost!

He hopes to develop this aspect more next year by making contact with a school in America that runs a similar ham radio scheme.

The Altona boys will compile a list of questions on America to ask the American boys over the radio, and the Americans

will prepare a similar list of questions on Australia.

This way, Mr. Godfrey says, the boys will have to do a good deal of research on both America and Australia, so they can ask and answer the questions.

He says he had this idea working in another school and it was a great success.

He sees two main aims behind encouraging the boys to dabble in radio electronics.

One is so that they can understand part of the electronic age and people's part in it. It also gives them a hobby and a possible "leg-in" to a profession.

And the other aim is to learn to communicate and to understand people in other situations and countries, by personal contact.

Mr. Godfrey says already one boy at the school has passed his examination and been awarded a licence to operate a radio station by the Wireless Institute of Australia.

The lad, Ari Groen, plans to make a career in electronic engineering.

Mr. Godfrey's enthusiasm and knowledge has been behind the introduction of radio to the school, but he says he wasn't always so enthusiastic.

In fact he says he became a licensed amateur radio operator under duress.

When he was teaching at Yallourn Technical School a letter arrived from the Wireless Institute of Australia about a Youth Radio Scheme.

His pupils were keen to join, but it meant he had to sit for an exam for his amateur radio licence — and he didn't have the confidence.

But the boys kept at him and even produced an application form for the exam filled out for him with everything but his signature.

So he had to have a go — and passed, of course.

And since then he's brought his idea to two other schools — Traralgon Tech. and now Altona North.

And he's convinced that a fourth "R" — radio — should be an elective subject at schools.

Val's Column

Hello Girls,

Had a good browse over our Amcal Pamphlet Girls?

Hope you've been in and picked out all the things that you will need, some of these will be very hard to replace if you need more. Remember there are many other such interesting lines that may not have been mentioned in that catalogue.

Another shipment of Timex watches has just arrived too, new styles for all the family. Do you realise the economical prices of Timex watches — and only I. L. HERBERT have Timex in Altona, and the range; it is enormous!

Another large stock is our footwear Health footwear — Homepeds, Schools and other clogs, and comfortable slipper, slip on footwear for Mum and Dad as well.

When you think comfort — think cool — fragrantly cool, and what could be a nicer thought than of Revlon's Aquamarine Friction Body Cologne and Aquamarine Refreshing Body Balm. The names explain themselves. Aquamarine Friction Body Cologne, cool, water green lotion which, when rubbed on the skin, causes it to tingle a little with a brisk, perfumed response that gives a morning fresh wide awake feeling to the user even after a long warm day.

There again, if your skin feels dry, thirsty after a days work, sport, sun-baking — you need the creamy, pale green rich lotion of Aquamarine Body Balm to smooth on all over for a relaxing, smooth, silken feeling again, to your skin. Then again, you may be ready for a spicy lemon fragrance.

Revlon Lemon Moisture Lotion has the fragrance of natural lemons, the moisture of natural lemons to soften your skin, and then the active emollients to keep a velvety smooth feeling. Lemon Cologne is the answer for the coolest, after-bath friction luxury you can afford — splash it on any time of the day.

Lotion if you need a refreshing deep down cleanser after a hot day's toil. Removes all makeup and daily grime, leaving your face, soft, cool and aroused with the delicate, cool, lemon aroma.

All these for a refreshing, relaxing summer Girls,

Bye.

No fun machines in milk bar

Altona Council will not permit Pier Street milk bar proprietor, Mr. Matteo Fioramonte to install a juke box, a billiard table and two hand-operated baseball amusement games inside his shop.

At the last council meeting, councillors adopted the chief health inspector's recommendation that permission for the alteration of use of food premises to allow the installation of amusement machines be refused.

The milk bar owned by Mr. Fioramonte is next door to the Pier Street amusement parlor.

TIP DECISION TO 'COST \$60,000'

The recent decision by the Minister for Lands and Conservation, Mr. Borthwick, refusing Altona Council permission to use 21 acres of land west of the old Truganina explosives reserve as a tip site may ultimately cost Altona ratepayers \$60,000.

This is the opinion of about \$50,000. Let's ask the Minister for a statement on what's happening to Truganina Reserve. Are we still the committee of management or not and if not who's responsible for the fence around the explosives reserve? "And after all, what's more important?" said Cr. Grant. "People or birds?" "People are more important in my books," he said. "We should alert the Minister to our feelings and ask him what he is going to do. We should ask him to reverse his decision and ask the Board of Works to construct a footbridge over their drain, which prevents public access to the beach next of the Truganina Pier."

After Cr. Grant had spoken councillors agreed to discuss the matter further, in committee.

MAYOR BUSY

Altona's Mayor, Cr. Harry Weaver is enjoying a busy mayoral term. Recent functions and meetings he has attended include the following:

- October 31: Council general purpose meeting.
- November 2nd: Board of Works function.
- November 3: Presentation night of the Western Suburbs Football League held at the Altona Working Men's Club.
- November 6: Meeting of the Board of Works sewerage committee.
- November 8: Special meeting to discuss siting of council's new tip.
- November 9: The Lord Mayor's dinner.
- November 11: Participated in wreath laying ceremony at the Cenotaph.
- November 13: Attended a dinner to commemorate the official opening of the W.A.G. pipe line. This pipe line cost \$14 million and is 34 miles long.
- November 14: Attended the general meeting of the Board of Works.

No generation gap, says Guy

Former Seeker Athol Guy, now M.L.A. for Gisborne, was recently a guest speaker at a dinner held at Petroleum Refineries (Australia) Pty. Ltd.

Mr. Guy disclaimed the existence of a generation gap but admitted that sometimes a communication breakdown was the cause of some misunderstanding.

Approximately \$750 was raised for the Altona Hospital at the dinner arranged by the P.R.A. for the Combined Services Clubs of Altona Hospital Appeal Committee.

The meeting was

chaired by Rotarian Reg Higgins, who introduced Mr. Bob Stringer of the Hospital Board. Mr. Stringer thanked P.R.A. for providing an excellent function and for

their interest in community affairs in the City of Altona.

councillors and representatives of service clubs and industry in the area. A small cross section of the audience is pictured above during Mr. Guy's speech.

Christmas at Hospital Shop

The Hospital Shop conducted by the Williamstown Hospital Activities Club at 38a Ferguson Street, Williamstown has many items of interest for the person looking for Christmas gifts.

Cars without wheels

According to an analysis by Goodyear, thousands of the vehicles without wheels will be built for commercial, military and recreational purposes in the near future, if these vehicles reach the potential of them.

Engineers call the surface effect vehicles, ground effect machines, or air-cushion vehicles. They hover above the ground and they can skim across water or float. To the general public they are hovercraft.

But they won't go anywhere without the rubber impregnated fabric skirts that trap the air beneath them.

Public affairs manager of Goodyear Australia, Mr. E. Colin Davis, said at least one third of the vehicles present an entirely new market for rubber products. "The rest will

complement rather than replace existing modes of transport," he added.

The idea for supporting a vehicle on a cushion of air dates back to the first patent in 1877. Yet it was only about 15 years ago that an English boat-builder, Sir Christopher Cockerell, added the innovative touch that made them practicable.

At present, Goodyear materials are being used in the skirts of 80 knot, 100-ton air-cushion ships being developed for the navy by Bell Aerospace and Aerojet General Corp.

These craft, presently undergoing company qualification tests, could be forerunners of a larger and faster flotilla of air-cushion ships the size of destroyers.

In addition, there are many second hand items of clothing and miscellaneous goods for sale at very reasonable prices.

The shop is open from 10 a.m. each week day and 9 Saturday mornings.

The proceeds are applied to capital projects of the Williamstown Hospital and gifts of good clean clothing, household items and knick-knacks are always welcome from the public.

A telephone call to the president (Mrs. Lex. Anderson) 3977474 or the secretary, Mrs. L. G. Caithness 397 5772 will ensure goods being called for if donors are unable to deliver them.

NURSING EXAM RESULTS

Results of the First Professional Examination for student nurses of the Williamstown & District General Hospital — the following students were successful:

Male student nurse Bannister, student nurses Bicknell, Court, Harris, Herlaar and Treloar.

POWER HOUSE PROTESTS BY "WHINGING POMS" SAYS LONDONER

An 87-year-old former Londoner and now a TPI pensioner has described as "whinging poms and louts" people who protested against the Newport power station project.

He is Mr. R. Dodd, of The Esplanade, Williamstown, who says in a letter to the editor:

SIR, — I witnessed with amusement and contempt the ridiculous and childish activities of a group of protesters at the Newport Power House last Thursday.

I could only consider they were whinging poms and louts. They make me feel ashamed to admit that I was born in London.

I am 87 years of age and have never seen anything as described by this protester.

I have lived in Australia for over 60 years, have had over eight years war service and due to the result of those years am now a TPI. I came from Malvern to Williamstown because of its peacefulness and cleanliness and it appealed to me.

Regarding the new power house I, along with the majority of residents, have seen the plans and model of same at the town hall. I have listened and read the reports of experts, not communist sympathisers.

On investigation I have come to the conclusion that the disruptive element here has been organised by the communists at Yallourn, because it means a serious threat to any strike action.

This has been proved by the collapse of the recent power strike due to power being made available by the recently opened Snowy River scheme.

This same noisy element has been protesting about the new pipe line for the same reasons.

I have lived in many countries during my lifetime and I still maintain that Williamstown is one of the cleanest and healthiest places I have seen.

It is a pity that the activities of such a group should be allowed to spoil it.

TPI SOCIAL NOTES

An enjoyable afternoon was had by all when 65 members of the Footscray, Williamstown and Western Suburbs T.P.I. Social Club visited Geelong.

They were entertained by the Geelong Choir and a bracket of numbers by a T.P.I. member on the violin and his wife who played the piano.

Winners of a recent card afternoon were Mrs. J. Brown and Mr. G. Rositer.

The next card afternoon will be on November 2 in the Manchester Unity Hall, Footscray at 1.30 p.m.

The Club extends its deepest sympathy to the family of a member who died last week — Mr. A. Brander.

Mini-bike Club competitions

Results of recent competition held by the Western Suburbs Mini-Bike Club are as follows:—

Under 16, 50 cc: G. P. Thorpe (Honda) 2; Totney (Honda) 3. Under-16: Spooner (Mini Trail) 1; P. Dowling (Mini Trail) 1; P. Totney (Gemini) 3. Under-13, 50 cc: L. Hosking (Mini Trail) 1; R. Boland (Mini Trail) 2; P. Heiner (Gemini) 3.

Under 13, 50-80 cc: S. Peters (Honda) 1; D. Ostler (Honda) 2; P. Randalls (Gemini) 3.

Under 16, 50-80 cc: B. Smith (Honda) 1; I. Gallagher (Honda) 2; J. Randalls (Kawasaki) 3. Under-13, SL: R. Walker (Honda) 1; P. Thorpe (Honda) 2; Totney (Honda) 3. Under-16: SL: M. Thorpe (Honda) 1; M. Totney (Honda) 2; L. Brims (Honda) 3.

Open, SL: B. Smith (Honda) 1; P. Cations (Honda) 2; A. Ostler (Honda) 3. Special A grade, SL: T. Barnes (Honda) 1; G. Kozak (Honda) 2; J. Hall (Honda) 3. Home made class: T. Davis (Grand Prix 98 cc) 1; J. Jolly (Grand Prix 125 cc) 2; L. Mallia (Deltak 98 cc) 3.

Peter Stevens Trophy: Race round 2: G. Kozak (Honda SL) 3.

Forty events were run. The next meeting will be held in the form of a picnic on December 17.

The club now boasts 100 members but would accommodate anyone interested in joining.

Invest now and at any time in Special Bonds

Series 'Z' Special Bonds provide:—

an interest rate which rises from 5.4% to **6%** per annum capital gains which increase in stages to **5%** at maturity

With a minimum subscription of only \$10, and a maximum holding (all series combined) of \$50,000, Special Bonds are ideal for personal and family savings, as well as for club, society and trust funds or business reserves.

The longer you hold them the more they bring in, and you can add to your investment at any time, through any bank or stockbroker.

DETAILS OF CURRENT SERIES Z SPECIAL BONDS MATURING JANUARY 1, 1983:

Interest rates rise from 5.4% to 5.8% in July 1976 and to 6% in January 1980. Capital gains also increase by stages to 5% at maturity. The average yield to maturity is approximately 6% p.a. Series Z Special Bonds can be cashed in full (or better) at any time after July 1, 1973. One month's notice is required. Repayment is independent of market price fluctuations.

Invest regularly in **Commonwealth Special Bonds**

Vanstone, and Mrs. Regina Rohm, the only daughter of Mr. and Mrs. Bernardi. Best man was E. Rohm. The bride wore a full length gown of white lace with a full length train. Matron of honor was Mrs. Evie McIntyre and bridesmaids were Miss Marilyn Jones and Miss Rita Bunting. Groomsmen Mr. Paul Cavanagh and Mr. George Hill. Usher, Mr. Gordon McIntyre. —Photograph by Pierre Studio, Werribee.

ONLY DLP ACTED ON FAMILIES AND PENSIONS: BACON

"Other parties talk about what should be done for pensioners and families — the DLP with its five Senators acted on their behalf," DLP candidate for Lalor, Mr. John Bacon said last week.

Mr. Bacon was addressing a meeting at Werribee RSL. He was supported by the DLP candidate for Melbourne, Mrs. Anna Linnard, and Mr. John Flynn, Werribee architect and planner.

Mr. Bacon said that ten times in the past 16 years the DLP had moved in the Senate to have pensions not only increased, but taken out of politics with an independent tribunal to "decide what proper pensions and other social services payments should be."

"It was a matter of regret that on each occasion the A.L.P. voted with the Government to defeat some measure of justice for social service recipients," he added.

"A great many people admired the DLP for its action in the Senate on important matters such as

preventing the Receipts House by the inclusion of Tax being imposed, and even a few DLP representatives just as has happened with the Senate," he said.

"The old representation has not been successful so voters will look for an acceptable alternative in this election," he concluded.

"New life would be injected into the Lower House by the inclusion of a modern general hospital and updated transport services."

Gymnasium girls put on a fine display

Approximately 250 people were entertained at Williamstown Town Hall when the Altona Presbyterian Girls Gymnasium held its annual display.

The girls were enthusiastic when doing their exercises, songs and dances.

Highlight of the evening for the girls was the presentation of medals. In a class of 23 babies Carol Hartley was awarded first place, Debbie-Sue Anderson a close second and Andrea Stone was third. An honorable mention went to Joanne Smith who was absent due to illness. Robyn Nelson was most improved.

Louise Fowler gained first place in the Sub-Junior with Rebecca Manger and Jillian McNamara equal second. Linda Mathews and Julie Haskill were equal third and an equal honorable mention went to Robyn Trickey and Jennifer Knell. Heather Crofts was most improved.

Leanne White won the Junior Section with equal second, third and honorable mentions going to Susan Kessner and Patricia Lorini, Anne Herbert and Robyn Graham, Karen Graham and Carol Blake. Belinda Howard and Carol Wurster tied for equal most improved.

In the Intermediate Section Susan Graham was first, Kerry Watson and Linda Swift equal second and Jennifer Swift third. Therese Clark gained an honorable mention and Anne Gloger most improved.

The gymnasium will recommence on Monday February 5.

New rail tracks

The 1985 Melbourne Metropolitan Transportation Plan includes the provision of two additional railway tracks between South Kensington and Footscray.

The Minister of Transport, Mr. Wilcox, said this in the Legislative Assembly recently.

Mr. Wilcox was replying to a question from the Member for Williamstown, Mr. W. L. Floyd.

Mr. Wilcox said work had started on the two tracks.

At a later stage, a further track — signalled for two-way operation — will be built between Footscray and Newport.

ACCENT ON FUN AT THIS DANCE SCHOOL

A special dancing school has opened for those wary of dancing schools.

It sounds like a contradiction, but the school's principal, Mrs. Joan Joiner, says she won't have a dancing contract in the place.

She says people can come to learn dancing at a time when they want to.

They can come for one

lesson then go and practice somewhere else, or turn up each week just for the company and the fun.

About 50 people of all ages came to the school's first evening class last week, and Mrs. Joiner says she was thrilled with the atmosphere in the class.

Everyone joined in and there was none of the embarrassment that usually accompanies a first dancing lesson.

And she estimates that year-olds are held from

6.30 p.m. to 7.30 p.m. and

completely at least one of the dances performed in the two-hour session.

The school is in Talbot hall in Ferguson Street, and next year classes will be held on Wednesday evenings as well as the Monday classes that started last week.

Classes for nine to 15-year-olds are held from

for adult beginners from 8 p.m. until 8.30 p.m.

After that until 10.30 p.m. there is a general dancing instruction class for all age groups, and for all stages of dancing ability.

Private classes and practice periods are held on Sundays.

And Mrs. Joiner says there are definitely no bookings.

If people want to turn up for just one lesson then she is happy to teach them what they want to know.

At the moment Mrs. Joiner says she and her helpers are teaching ballroom and Latin American dancing, and plan to start old-time dancing classes next year.

Private lessons are available for anyone who wants them.

Prices for the general classes range from 30 cents for the youngsters to 90 cents for the two-hour class.

The adult class is 50 cents, or \$1.30 for those who join in for the rest of the evening as well.

TIMELY ADVICE FOR VOTERS

Elsewhere in this week's issue of your Altona Star will be found a list of polling places where electors who are enrolled for the subdivisions of Altona and Brooklyn may vote on Saturday between the hours of 8 a.m. and 8 p.m.

If you will be absent from your subdivision on Saturday in any other part of the State, go to the nearest polling place to where you will be located and vote as an absent voter.

You require no papers nor need to make prior application.

There will be 2170 polling places open so it will not be difficult to find polling facilities.

Electors who will be interstate, or in hospital, etc. on Saturday may vote now by making a written application on a form obtainable from any post or electoral office or by attending personally at any electoral office.

Your local Divisional Office is located at 221 Hampshire Road, Sunshine — Telephone number 3111528.

If you are unable to vote before leaving Victoria you may attend the office of any Divisional Returning Officer on or before polling day and cast your vote.

If you do not know where these offices are situated, ask the officer-in-charge of any polling place who will direct you, or, consult the Commonwealth Government Department section of the telephone directory.

Visitors to Sydney will find that a special polling booth will be open at the Sydney Town Hall for postal voting on polling day.

Remember, voting is compulsory and you could face a fine of up to \$10 if you failed to vote without a good reason.

At the 1970 Senate Election 3217 electors from the Division of Lalor were asked to explain their apparent failure to vote.

Baby show to aid hospital

A baby show, with proceeds aiding St. Vincent's Hospital, will be held in St. Luke's Hall, corner of Blackshaws and Millers roads, Altona North, on Saturday, December 9.

Section: — birth-6 months (1 p.m.), 6-12 months (1.30 p.m.), 1-2 years (2 p.m.), champion baby under 2 years (2.30 p.m.), 2-4 years (2.45 p.m.), 4-6 years (3.15 p.m.), champion tiny tot, 2-under 5 years (3.45 p.m.), junior miss and master, 5-10 years (4 p.m.).

There will also be a novelty and photographic section plus a Prince and Princess of Altona — money-raising section.

Prizes will include a cup and certificate, child raising \$10, a cup certificate and gift for \$25 and a special gift for any child raising \$50.

Raffle tickets can be obtained by contacting Mrs. Margaret Hayes (317 9041).

Responsibility for election comment in this issue is accepted by G. W. Sargeant, Editor of Age Suburban Publications.

Winning run goes on

Williamstown Central Tennis Club Boys Section 3 continued their winning run with a 23 game win over Sunshine Park last weekend.

AR2 defeated Footscray by 10 games, BS2 defeated Diggers by 3 games. BS2 struggled all day and finally defeated one of the top teams in the last set.

Girls Section 3 did not play due to bad weather.

Boys section 3: V. Paone, D. Page, J. Fewster, R. Telfer.

Girls Section 3: A. Greaves, F. Cutroni, A. Roberts, M. Lechich.

AR2: B. Politi, T. Paone, N. Jeffkins, J. Newton, V. Strantzen, J. Rose.

BS2: A. Wilson, P. Newton, J. Bates, M. Wilson, L. Boyack, E. Bates.

ALTONA 'A', 'C' GRADES TAKE THE ADVANTAGE

Altona A and C grade XIs took advantage of last weekend's appalling conditions and managed to notch the points.

A grade defeated Seddon on the 1st innings and C grade were able to force an outright win.

DETAILS

A GRADE:

Due to rain on Saturday morning there was some doubt as to whether play would get under way. However, after half an hour delay Seddon resumed their first innings at 3 for 42, chasing Altona's 190. Unfortunately Altona's opening bowler Colin Shaw was ill and was unable to take his place in the field. This restricted the Altona attack, but due to good bowling by Jim Page, Seddon were dismissed for 91 and were forced to follow-on. Page

was the chief wicket taker with 5 victims.

Seddon in their 2nd innings were content to see out time and at stumps were 5/54.

An unfortunate accident occurred in this game when Ken Duff suffered a skull while fielding close to the bat. Kew spent a couple of hours at hospital under observation and is now satisfactory.

B GRADE:

Altona, with 106 runs in the 1st innings, needed quick wickets when Werribee resumed at 2/16 last Saturday.

Whilst the pressure was kept on the batsmen, the wickets did not come quick enough and Altona went down by 10 runs on the 1st innings. With little chance for a different result, Altona took advantage of the balance of the

day's play and got some very good batting practice with Neil Courtot being one to gain most advantage. At stumps, Altona, with Neil Courtot (32) were 3/50.

At this stage of the season with only 6 points to their credit Altona sees the competition leaders getting away to a big lead in points and must therefore make every endeavor over the remaining two games prior to the Xmas break to obtain maximum points and put themselves back in the running.

C GRADE:

Play in this game was delayed for three - quarters of an hour due to

poor conditions. However, once the game got under way, the wicket proved to be very slow. At 1/26 in reply to South Ports 106, Altona appeared to be in a good position.

Alan Walgers went early and Bill Bibby was joined by Roy Evans. Both had their share of luck, but stuck at it and were able to take the score to 102 before Bibby was dismissed for 56.

Evans was joined by John Leigh and this pair were able to take the score to 3/115 at which time the innings was closed.

The next 65 minutes

were to be sensational! Alan Jobson picked up wickets with his fifth and ninth balls, both to catches by Ron Cook. Gordon Wilson, not to be outdone, followed with a further two and South Port were 4/0. Good bowling backed up by good fielding kept the pressure on the batsmen. However, some in-glorious batting saw South Port all out for 15. Gordon

Wilson from 6 overs took 5/7.

Needing 7 for victory Altona had no trouble and 10 points should now put them back amongst the leaders.

Club XI:

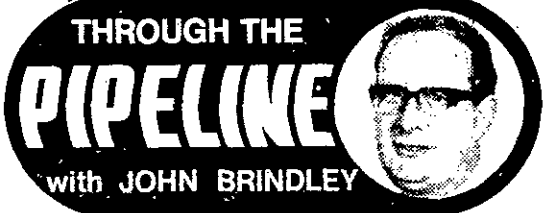

Altona, with 182 on the board and with ANA on 3/56, looked to be in a good position to take out 1st innings points. But due to some poor fielding in not accepting chances the opposition was let off the hook and eventually had a comfortable 1st innings victory.

Raffles galore

A hamper of food valued at \$80 is being raffled by the Altona Elderly Citizens' Club. Tickets are available from the club's social committee.

And a \$200. Christmas hamper is being raffled by Altona District Hospital Ladies' Auxiliary.

Tickets are on sale at 20 cents each and can be obtained from the hospital or from members of the ladies' auxiliary.

THE recent discovery of cholera cases in Australia, which caused widespread concern, emphasises the value of a pure water supply.

THE purity of Melbourne's water is safeguarded by the "closed catchments" policy which was introduced by the Government when it initiated Melbourne's water supply in 1857 and which has been continued by the Board since it took over responsibility for the supply in 1891. The catchments from which the water is harvested are closed to the public to prevent pollution which inevitably follows the intrusion of people and activity into any area.

IN addition to protecting the purity of the supply, the Board is undertaking research in the Healesville district to obtain information to enable it to define an efficient catchment management policy based on scientific results and, more specifically to test the effect of controlled logging and regeneration practices on the catchment area. An area at Picaninny Creek was treated last summer, and similar treatment is being undertaken in the Blue Jacket area this summer.

SEWER WORKS NEAR COMPLETION

Construction of sewerage mains to serve 555 properties at a cost of more than \$1.6m. at Altona is nearing completion and steady progress has been made although difficulty was experienced in dewatering some of the deeper sections. The properties are in areas bounded approximately by Romawi Street, Esplanade, Bent Street and Railway South and Wren Street, Grieve Street, Esplanade, Wilga Street, Myrtle Grove and Maidstone Street.

THE Board's Farm at Werribee will change over to metric units from January 1, 1973. Metric conversion at the Farm will provide an excellent pilot project for the introduction of metrics within the remainder of the Board as it will involve a wide range of activities including construction operations, construction plant maintenance, laboratory work and drawing office and administrative procedures.

TENDERS are being invited for the supply of 14 neighbourhood

sewerage treatment plants which are designed for use in new subdivisional developments pending the extension of main sewers. Neighbourhood plants, which can be supplied in units catering for 150, 400 or 1200 people, were put through a series of exhaustive tests by the Board last year.

The Board is arranging the supply of the units to enable provision of complete sewerage service to new subdivisional developments in conformity with its policy of requiring sewerage to be provided when subdivision is undertaken.

FEDERAL ELECTION

Dr. JIM CAIRNS

is your member of Parliament

Five times in every week Jim Cairns has been available like this for you to see near your own home.

Jim Cairns at Altona

During the past three years I have met and helped over 3500 people, who live in Sunshine, Braybrook, St Albans, Deer Park, Altona, Laverton, Werribee, Hoppers Crossing and Little River.

An individual member of Parliament can do something but an Australian Labor Party Government can do much more — let us get away from personalities and politics and elect a Labor Government if you really want to get things done.

THE WESTERN SUBURBS ARE DEPRIVED — WHY?

Governments naturally favor their own kind of people. The people of the Western Suburbs are mainly working people. Liberals are NOT working people and they have been the Government for many years — and so the West is deprived and everyone in the Western Suburbs suffers. People need a government of their own kind. The Australian Labor Party is a party of the working people — everyone knows that — Western Suburbs kind of people.

THE WESTERN SUBURBS NEED A LABOR GOVERNMENT — LABOR WILL END THE DEPRIVATION OF THE WESTERN SUBURBS

The Australian Labor Party guarantees

- A free health service available to all having to pay contributions.
- To provide schools with all they need for effective teaching — EVERY school will be helped according to need.
- The local Councils will be given all the money they need for streets, drains and bridges; and the Board of Works for sewerage and water supply.
- Adequate buses and trains.
- Sports grounds, gardens, youth clubs, and child care centres.
- No more unemployment.
- To control prices.
- To take Australian resources back from the Japanese and Americans — we must own our own country.
- To work with the unions to prevent strikes and get better wages and working conditions.
- Planned development of the Western Suburbs.
- National defence and security.

Those are the things the Election is really about — Vote for the Australian Labor Party and they will be done.

Voting is Compulsory

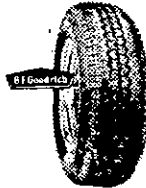

If you live in the Western Suburbs this is the way you vote for the Australian Labor Party.

THANKS

BOWYER. — The family of the late Frank Bowyer wish to THANK all relatives and friends for floral tributes, cards and messages of sympathy in their recent sad loss.

HARRIS, Blanche. — The daughter of the late Mrs. Blanche Harris wishes to THANK all relatives and friends for their kind thoughts, cards and floral tributes in her recent very sad loss. Especially thanking the Royal District Nursing Service and my two neighbors. Mrs. Kerr and Mrs. Worley for their untiring help.

MARSH. — The family of the late Joseph Henry (Harry) would like to sincerely THANK all relatives, friends and neighbors and workmates for cards, letters, floral tributes and personal expressions of sympathy in the recent sad loss of their loving husband and father. Special thanks to Mrs. Tatta and Mrs. Burns whose help we will always appreciate. Would all please accept this as our personal thanks as many addresses are unknown.

WALTON. — Mrs. Madge Walton and family wish to THANK all relatives and friends for their kind expressions of sympathy, floral tributes and cards in the sad loss of husband, father and grandfather Robert Walton. Would all please accept this as our personal thanks.

Notice is hereby given of the 108th Annual Meeting of the above club to be held in the Williamstown Town Hall Supper Room, Tuesday, 19th December, 1972, at 8.00 p.m.

Nominations are called for three (3) vacancies which exist on the General Committee. Closing date for these nominations is Friday, 15th December, with the Secretary, 78 Harbourside Street, Macleod, 3085.

**COACHES
WERRIBEE CENTRAL
FOOTBALL CLUB**

Invite applications for coaching positions for Season 1973 for—

- a. Under 11 to Under 18 age groups (8 teams), and
- b. Open age and open age reserve teams.

As the Under Age groups are still tentative applicants are asked to state an age preference on their applications. All appointments are honorary.

Applications, in writing, advising details of experience, etc. should be addressed to:

Secretary,
111 Synott Street,
Werribee 3030.

APPLICATIONS CLOSE ON 15th DECEMBER, 1972

**ELECTORAL DIVISION OF
LALOR**

The following persons have been duly nominated as Candidates for the Election of one Member of the House of Representatives, for the above Division, to serve in the Parliament of the Commonwealth.

JOHN GERALD BACON,
50 Rose St., Altona, Organiser.

JAMES FORD CAIRNS,
21 Wattle Rd., Hawthorn, M.P.

JOSEPH SHEEN,
10 Gail Ct., Albion, Security Officer.

FRANCIS STEWART YOUNG,
32 Beaver St., St. Albans, Political Organiser.

A Poll will accordingly be taken for the Division on Saturday, the Second day of December 1972 in accordance with the law of the Commonwealth for the regulation of Parliamentary Elections. The Poll will open at Eight o'clock in the morning and will not close until all Electors present in the Polling Booth at Eight o'clock in the evening, and desiring to vote, have voted.

The Polling Places appointed for the Division and prescribed for the several Subdivisions are as follows:—

ALTONA SUBDIVISION

Altona (Primary School, Blyth Street).
Altona West (Kindergarten Hall, 4 Somers Parade).
Seaholme (Primary School, Millers Road).

BROOKLYN SUBDIVISION

Altona North (Primary School, Blackshaws Road).
Brooklyn (Primary School, Millers Road).

Dated this twenty-third day of November, 1972.

A. J. WALSH,
Returning Officer for the
Electoral Division of Lalor.

**Newport in
a thriller**

Spotswood and Newport turned
on a thriller at the Spotswood Oval
last Saturday.

After being led by Newport on the first innings, Spotswood fought back to gain outright honors.

Newport compiled 72 runs in the second innings. Spotswood's opening bowlers, Terry McGarity and Pas. Mifsud, broke through for a wicket each and spinner Paul Johns, playing in his first senior game, captured 4/30.

Ian Marsden, a consistent wicket-taker, took 3/12 and Robert Doyle claimed the remainder. The home team needed 83 runs for victory.

Trouble struck early with the loss of two quick wickets. Gary Milotern, 16, and Robert Doyle, 13, took the score along with Mick Connors, 10 and Pas Mifsud, 10, offering support. However, wickets kept falling and the last batsman went to the crease at 9/67 with 16 runs needed. Ian Marsden finished with a valuable 16 n.o., and Ken Davey remained with 4 n.o.

SECOND XI

Newport bats were unable to match Spotswood's 218 total. Best bowlers were Peter Brown, 4/19, Rodney Lee, 3/18 and Ralph Jensen, 3/10. Newport could manage only 55 runs.

Newport fared better in the second innings, compiling 119. The hero of Spotswood's attack was Gary Tobin, who sent down 16 overs to record 6/27.

NORTH A
North Melbourne City, leading by eight runs on the first innings, bundled Spotswood out for a meagre 54.

At one stage, five wickets fell without a run being added. Alan Raymer, with 26, offered the only resistance to a strong attack. Arthur Gee (2/30) captured wickets in the first over of City's second innings. However, these were the only bats to fall before the required runs were added.

The North C match was washed out, with the scores standing at Spotswood 83 and Windsor 4/118. Red team v. Maribyrnong — a disappointing game because of foul weather. The youngsters scored 288 a week earlier.

Blue team v. Seddon. Spotswood, 57, had Seddon at 7/54 at stumps. Last weekend, Seddon managed to total 58 to win the match by one run. A players' night will be held in the clubrooms after training tonight (Thursday).

**Hopeless task
for Altona**

Altona North were faced with a
hopeless task last weekend.

Resuming the chase (MHSBS 9/273 dec.) at 3 p.m., North finished with a creditable 4/157.

It was a disappointing finish and players have no doubt that, given full time, they would have gained a first innings victory.

Stan Hatt batted superbly, slamming 74 with his wicket still intact. Others to perform well were P. Glazner, 27 ret. hurt, Spike Harris, 15 and J. Coffey 14, T. Carroll, 12.

Seconds

North 2nd XI gained an outright win over Seddon (125 first innings) due to solid batting from Harold Mason, 51, K. Buchanan, 36, M. Outen, 18 and N. Doria, 11, producing 133 in the first innings.

Seddon were dismissed for 54 in the second innings. Best bowlers were M. Outen, 5/14, J. Spicer 4/19. North lost one wicket in passing the winning mark (1/53) with H. Mason again top scoring with 29 n.o., supported by Martin Nowell, 24 n.o. Newport suppered

Thirds

Newport suffered an outright defeat to North thirds, being dismissed for 56. Chief wicket takers for North were Don Porter, 5/19, H. Hart, 2/1 and P. Hateley, 2/27. North's first innings, 6/154, was sufficient — Don Porter, 57, Kevin Parkhill, 18 n.o., and M. McDonald 11 n.o. North resumed at 5/95. The juniors remain undefeated after clinching

outright points against Williamstown Colts (29 and 53). Wicket takers were Harry Hart, 5/26, Ron Cassar, 2/3, V. Castelli, 2/13. Ron Cassar earned a pair of batting gloves for his well controlled 50 n.o. in the 1st innings. K. Parkhill, 22, C. Castelli, 19 n.o., and G. Dolby, 18 were the other main scorers.

**Foundation
member's
birthday**

The only remaining foundation member of Williamstown Croquet Club celebrated her 89th birthday on Saturday.

Mrs. A. Allen of Railway Terrace entertained a large number of friends and members of the club at a champagne afternoon tea at the clubrooms.

Mrs. Allen, a native of Williamstown, can remember the workshops at Point Gellibrand and picking white flag lilies in the cemetery.

PUBLIC NOTICES

**CITY OF ALTONA
NOTICE OF SCHEME —
SECTION 605 LOCAL
GOVERNMENT ACT
1958**

Notice is given that Council has prepared a Scheme for the widening of Queen Street by 41 Feet by the acquisition of part of Albert Park together with the following lots being part of Plan of Subdivision No. 1205 of Crown Allotment 5A, Section 4, Parish of Truganina, County of Bourke.

Block A Lots 1, 2, 3, 4, 5, 6, and 45
Block B Lots 1, 2, 3, 4, 5, 6 and 7
Block D Lots 1, 2, 3, 4, 5, 6, 7, and 37
Block E Lots 1, 2, 3, 4, 5, and 6
Block F Lots 1, 2, 3, 4, 5, and 6
Block G Lots 1, 2, 3, 4, 5, and 6
Block H Lots 1, 2, 3, 4, 5, and 6

and the resubdivision of those lots to permit the sale of surplus land.

A copy of the Scheme is deposited at the Council Offices, 115 Civic Parade, Altona, and is available for inspection during office hours free of charge by any person.

Persons affected are requested to set forth in writing all objections, which they may have to the Scheme, and to forward same to the Town Clerk within 40 days from date of publication of this notice in the Government Gazette (29th November, 1972).

All objections to the Scheme will be considered at the Ordinary Meeting of the Council to be held the 13th February, 1973.

S. Fell,
Town Clerk.

Williamstown fights to keep advantage over Ivanhoe

Unlike many other Melbourne cricket arenas, Williamstown's pitch was perfect after early morning drizzle, and credit must go to curator, Bob Saltau, for excellent preparation.

Les Joslin, 18, and Robin Dyson, 12, resumed Williamstown's innings.

Les was caught by Lamb off the bowling of Ian May, who was to finish the game in devastating form. Graeme Coulston joined Dyson, but Dyson only added four more runs to his tally and was out for 16, bowled by Salvado.

John Fowler came in and made eight before being bowled by May.

Williamstown were six down and still not past the Ivanhoe total of 101 when Peter Bowyer came to the wicket and with sensible batting he was gradually getting closer. From seven for 97 he got the winning runs before he was finally caught by Adams off May.

Keeper Tom Ferris was caught by Skelton off May for no score and Geoff Horsburgh carried his bat for the same amount.

Williamstown were all out for 108, 7 runs in front — enough to get the six points to take them further up the ladder. Ivanhoe took the pitch for their second innings with the track now in top notch condition and spectators witnessed some beautiful batting from the stylish bat of Wayne Lamb.

His stroking was perfect and he and Clough batted along nicely, although some bad fielding gave Clough many lives. However, he was dismissed on an lbw question, asked by Geoff Horsburgh, for 18 runs. Pearsall joined him and at tea Ivanhoe were one for 71 and looking good.

Lamb, still wielding the willow stylishly, passed his 50, but at 57 his exit occurred when he hit the ball solidly to Peter Bowyer — Bowyer, a reliable fieldsmen, missed the catch, but brilliantly recovered and his great return ran that batsman out.

They were now two for 84.

Ashton came in and was bowled first ball by John Fowler. The Ivanhoe skipper came in and he played the Williamstown bowling and made 46 in 42 minutes with a great six.

However, he returned to the W. L. Floyd Pavilion after being bowled by his opposing Coach. Les Sanders was also to meet his fate the same way.

The cricket became dull as Les tried four new bowlers including Barry McConnell who put down four overs with one maiden for only 10 runs against him. Graeme Coulston bowled three overs for nine runs and Bert Park one over for six runs. The innings petered away and at stumps Ivanhoe were six for 174.

Scores: Ivanhoe, 1st Innings, 101.

Williamstown, resuming 4 for 75. Les Joslin, c. Lamb, b. May, 18; Robin Dyson, c. Lamb, b. May,

16; Graeme Coulston, b. Salvado, 18; John Fowler, b. May, 8; Peter Bowyer, c. Adams, b. May, 20; Tom Ferris, c. Skelton, b. May, 0; Geoff Horsburgh n.o., 0; sundries, 3; total, 108.

Bowling: Ivanhoe May, 13 overs, 1 Maiden, 6 maidens, 4/53. Ivanhoe 2nd Innings, Clough, lbw Horsburgh, 18; Lamb r.o., 57; Pearsall, c. Ferris, b. Horsburgh, 6; Ashton, Fowler, 0; Salvado, b. Joslin, 46; Sanders, b. Joslin, 19; Skelton n.o., 18; Douglas, n.o., 5; sundries, 5; total 6/174.

Bowling: Peter Bowyer, 4 overs, 0 maidens, 0/9,

Geoff Horsburgh, 15 overs, 4 maidens, 2/45, Les Joslin, 9 overs, 2 maidens, 2/33, Don McKenzie, 8 overs, 1 maiden, 0/19, John Fowler, 10 overs, 4 maidens, 1/31, Barry McConnell, 4 overs, 1 maiden, 0/10, Kev. Tweedy, 1 over, 0/7, Graeme Coulston, 3 overs, 0/9, Bert Park, 1 over, 0/6.

SECONDS: For the second Saturday in succession the second XI journeyed to Ivanhoe, and, despite rain etc, the pitch was once more unprepared and the point ruling for this "no game" will be decided by the VCA on December 13.

THIRDS: Despite good bowling by Graham Dean (2/40) and Peter McGregor (2/75) Brunswick went on and made 21 before declaring for the loss of 5 wickets.

Williamstown batted for the second time and a courageous hand of 5 not out by 13-year-old Jeff Dean was the highlight.

The wicket was weather-beaten and Jeff was hit several times, but unruffled he remained there. Brian Park made 21. This week the thirds journey to Sunshine for a two day fixture at the Barclay Reserve.

WILLIAMSTOWN WINS AT LAST

Williamstown Amateur Athletic Club's B grade team experienced its first victory for 1972-73 track and field season at Melbourne University on Saturday.

The team defeated Altona's B grade team, 64-52. Brian Davidson was the star of the team, being placed second in the 100 metres dash (11.1), first in the triple jump (45 feet 10 1/2 inches), and first in the 100 metres hurdles (16.0).

Williamstown's junior teams continued to perform well.

Eero Keranen, competing in the sub-junior 1500 metres, was clocked at 4:19.6, and Simon Hogan again won the sub-junior 1500 metres walk.

In the under-15 events, John Steward went well in the 800 metres walk to clock 4:04.8, Eric Dusink showed himself to be an all-rounder — winning the shot put (35 feet 10 inches), the 80 metres hurdles and the triple jump (38 feet 10 inches).

In the under-14 1500 metres, first, second and fourth placings went to Greg McKay, Glen Thompson and Greg Cotter respectively. Earlier Glen had won the 800 metres walk (4:08).

The first three places went to Williamstown athletes in the under-13 100 metres dash. First across the line was P. Sinnott (13.4), followed by C. Lowden (13.6) and S. Bazja (13.7). The under-13 team had a walkover in the 1500 metres with S. Bazja first home, S. Hardeman next and P. Sinnott following.

The club's annual presentation day will be held on Sunday, December 10.

Night hockey Altona Council has agreed to assist Altona Hockey Club to floodlight its ground before the commencement of the 1973 season.

The club will contribute \$450 towards the cost of the floodlights which is estimated at \$1850.

ALLAN, LOUISE THE WINNERS

Allan Findlay and Louise Stracey produced magnificent tennis to win the Altona Tennis Club's Junior Tournament last weekend.

Playing in gusty conditions, Allan just scored through with a first set win, 6-5, over Greg Scott. Louise breezed through with a 6-1 first set win over Susan Jeffrey.

Final scores: Boys — Allan Findlay d. Greg Scott (6-5, 6-1). Girls — Louise Stracey d. Susan Jeffrey (6-0, 6-4).

There will be a Christmas break-up on December 9, at 7.30 p.m. — details are on the notice board. A meeting will be held at the clubhouse, on December 9, at 8 a.m.

TEAMS (DECEMBER 2) A Reserve 1 v. Kingsville 1 (home): S. Whitecross, G. Findlay, M. Borcich, L. Findlay, P. Trickey, E. Gordon.

ALTONA IN BIG ONE

The big match that cricket fans in Altona have long been awaiting will take place on the Altona hockey ground on Saturdays, December 16 and December 23 when Altona meets Altona North for the first time.

Altona Council has given permission for the match to be played on the hockey ground while improvements are being made to the wicket on the Altona club's ground.

Normally the hockey ground is used by the Altona Marching Girls who have the lease of the ground on Saturdays in the summer season. They have agreed to let the cricketers use the ground for the two Saturdays.

This is the first season that Altona and Altona North have played in the same competition.

CAMERA

Thursday December 7, is the final meeting of the year for Williamstown Camera Club.

Friends and family are invited to attend.

Guest speaker, Mr. Len Moncur is a man of many talents, his programme caters for young and old and is interesting and entertaining.

Club members are reminded to bring along a plate of "goodies".

POWER, SAIL

"The Age" special writer, Chris de Fraga, will introduce another editorial feature in "The Age" classifieds, on Saturday, December 2.

The feature will deal with power and sail boating.

It will include a special section on the reliability of outboard motors, a discussion on the growth of big yachts and a description of the world class "one tone" Cup.

NEWPORT BATS FAIL AGAIN

After leading on the first innings, Newport battled again on a slightly rain-affected wicket.

Once again the batsmen were all out for 119, being beaten outright.

Ron Clarke, 45, Bill Stevenson, 21, and Roy Sadler, 18, were the only batsmen to provide any opposition against Spotswood's effort for outright victory.

CLUB XI: After finishing at 5/98 last week, Altona North batted on until they declared at 6/154. Newport, batting for the second time quickly collapsed to be all out for 56. Jim Hynes, 19, and Dick Roberts, 12 not out, were the only batsmen to stand out in Newport's dismal effort.

OLYMPIC PARK — MONDAY

Rate 1: Juvenile qualifying. Race 2: Benevolence 1, Lady La Mons, 2; Vermerr 3.
